Management and the Board of Directors encourage you to read carefully this proxy statement. Important Notice Regarding the Availability of Proxy Materials for the Shareholder Meeting to Be Held on May 18, 2021: The Notice of 2021 Annual Meeting of Shareholders, this Proxy Statement and the 2020 Annual Report to Shareholders are available on the Internet at the following website: www.proxyvote.com.

Use and Revocation of Proxies

We are pleased to offer Internet voting as an alternative method of submitting your proxy. Proxies may be submitted either by executing and returning the enclosed proxy card or by following the instructions on the proxy card to vote over the Internet. Internet voting is available 24 hours a day until 11:59 p.m. Eastern Time on May 17, 2021. The shares represented by any properly submitted proxy will be voted in accordance with your instructions, and in the discretion of the proxy holders as to any other matters which may properly come before the Annual Meeting. If a shareholder fails to specify how the proxy is to be voted with respect to Proposals One, Two and Three set forth in the accompanying notice and further described herein, the proxy will be voted FOR the election of the director nominees named in Proposal One, FOR fixing the number of directors to be elected at nine (9) as described in Proposal Two and FOR the ratification of the appointment of Yount Hyde & Barbour PC as the Bank’s independent registered public accountants for the fiscal year ending December 31, 2021 as described in Proposal Three.

Execution of a proxy will not affect a shareholder's right to attend the Annual Meeting and vote in person. Any shareholder who submits a valid proxy may revoke it for any reason at any time before the proxy is exercised by filing with the Corporate Secretary of the Bank an instrument revoking it, by submitting a valid proxy bearing a later date, by visiting the website listed on the proxy card and following the instructions or by attending the Annual Meeting and requesting to vote in person.

If you hold your shares through a bank, broker, or other holder of record, you should follow the instructions from your bank, broker, or agent to vote or revoke your proxy or change your vote. If you hold your shares through a bank, broker, or other holder of record, and you plan to vote in person at the Annual Meeting, you should contact your bank, broker, or agent to obtain a legal proxy or broker's proxy card to bring to the meeting as proof of your authority to vote the shares.

Directions to Annual Meeting

To obtain directions to attend the Annual Meeting and vote in person, please contact the Corporate Secretary of the Bank at (877) 405-7797.

Voting Rights of Shareholders

Only those shareholders of record at the close of business on March 25, 2021, are entitled to notice of and to vote at the Annual Meeting or any adjournments thereof. The number of shares of common stock, par value \$2.00 per share, of the Bank outstanding and entitled to vote as of the record date was 1,083,660. The Bank has no other class of stock outstanding. Each share of Bank common stock entitles the record holder thereof to one vote for each matter to be voted upon at the Annual Meeting. A majority of the votes entitled to be cast, represented in person or by proxy, will constitute a quorum for the transaction of business. Shares for which the holder has elected to abstain or to withhold the proxies' authority to vote (including broker non-votes) on a matter will count toward a quorum, but will not be included in determining the number of votes cast with respect to such matter.

Applicable rules determine whether proposals presented at shareholder meetings are routine or non-routine. If a proposal is routine, a broker or other entity holding shares for an owner in street name generally may vote on the proposal without receiving voting instructions from the owner. If a proposal is non-routine, the broker or other entity generally may vote on the proposal only if the owner has provided voting instructions. A "broker non-vote" occurs when a broker or other entity returns a signed proxy card but does not vote shares on a particular proposal because the proposal is not a routine matter and the broker or other entity has not received voting instructions from the beneficial owner of the shares. Fixing the number of directors to be elected and the ratification of Yount Hyde & Barbour, PC as the Bank's independent registered public accountants for the fiscal year ending December 31, 2021 are considered routine matters, while the election of directors is considered to be a non-routine matter.

With regard to the election of directors, votes may be cast in favor or withheld. If a quorum is present, the nominees receiving the greatest number of affirmative votes cast at the Annual Meeting, even if less than a majority, will be elected directors; therefore, votes withheld and broker non-votes will have no effect. Approval of any other matter requires an affirmative vote of a majority of the shares cast on the matter. Thus, although abstentions and broker non-votes are counted for purposes of determining the presence or absence of a quorum, they are generally not counted for the purpose of determining whether a matter has been approved, and therefore have no effect.

Solicitation of Proxies

The cost of solicitation of proxies will be borne by the Bank. Solicitation is being made by mail, and if necessary may be made in person, or by telephone or mail by officers and regular employees of the Bank acting without compensation other than regular compensation. We anticipate that brokerage houses and other nominees, custodians and fiduciaries will be requested to forward the proxy soliciting material to the beneficial owners of the shares held of record by such persons, and the Bank will reimburse them for their charges and expenses in this connection.
