## Where relationships are important, and your money is safe!

As a community bank, The Farmers Bank of Appomattox is well capitalized and strongly positioned to serve our customers and community. Our bank was established 105 years ago and we expect to serve this community for generations to come. We take pride in our relationship-based business model focused on building long-term trust with customers. After all, we live in your community too, and your success is our success. If you have questions about your coverage, or whether additional insurance is needed, we are prepared to assist you to ensure your deposit needs are met.
